

## **Senator Dianne Feinstein: A Leader for Peace**

Senator Feinstein's courage and wise leadership for peace and a two state solution for Israelis and Palestinians has been based on sound knowledge of the Middle East and persistent bipartisan efforts to pursue diplomatic means for resolving the conflict.

Examples of her abiding commitment to this issue include:

2003 co-sponsored a Senate Resolution in support of the Geneva Accords

2006 strongly supported the Iraq Study Group Report which included a call for renewed and sustained commitment to find a comprehensive peace settlement between Israelis and Palestinians, Syrians, and Lebanese.

2007 co-sponsored with Senators Lugar, Dodd and Hagel a Resolution reaffirming the Senate's Commitment to a two-state solution of the Israeli-Palestinian conflict. Senator Feinstein explained: **“A just resolution of the Israeli-Palestinian dispute, and a comprehensive Arab-Israeli peace agreement, is in the national interest of the United States and should be a top priority in the region.”** .
